Mount Calvary Academy of Music was founded to nurture and develop musical skill and sensitivity in support of the many positive roles music plays in personal development, within our culture as a whole, and as enrichment to worship within our communities of faith.

Music is a vibrant and vital part of our culture and essential to our development as intelligent and expressive people.

Whether it is within the worship life of a community of faith, the multiplicity of venues in our secular society or simply for personal satisfaction, music can inspire, empower, comfort, and move us in ways that bring wholeness and vitality to our lives.
